2025 QUANTUM OPEN HOUSE

**Quantum isn't just for scientists—
it's a part of our everyday lives.**

Open to all - students, faculty, and public. No prior knowledge needed!

Out of concern for safety, liability and capacity, minors under the age of 14 will not be allowed to accompany participating adults.

September 20, 2025, 1 - 4:30 p.m.
